Amendments in the Specification: (struck-through parts deleted and bracketed parts added)

After the paragraph ending on page7, line 10, please insert the following paragraph, which has been placed in brackets to indicate the underscore located within the hyperlink:

[Though multiple conventional processors, microchips and micro-switches may be used, one chip that may be utilized is the BC1-IC, which is a 14 pin SIP module. This microchip may be acquired by Parallax Inc. and information regarding this chip's purchasing and specifications can be found at www.parallax.com/detail.asp?product_id=BS1-IC.]
